

LEGIONELLA COMPLIANCE SYMPOSIUM

For Cooling Towers and Health Care Facilities

Friday, April 28, 2017

10 A.M. to 5 P.M.

**Buffalo Marriott Niagara
1340 Millersport Hwy., Amherst, NY 14221**

This symposium will include several expert licensed presenters such as: Dr. Janet Stout PhD, Director of Special Pathogens -- a clinical and environmental microbiologist with more than 30 years in legionella research, representatives from NYSDOH (Niagara County), as well as Mike Nierenberg, Pesticide Control Specialist from NYSDEC and Jeff Whittlinger, PE, BCEE Leader Group to help guide you in regulation interpretation and document development necessary for compliance with the finalized NYSDOH Legionella regulations. Pesticide Applicators will receive five (5) Category 7G hours credit hours for the course.

Seminar Topics:

- Update on the NYSDOH CTMPP Regulations
- NYSDOH Legionella Regulations for Hospitals and Residential Health Care Facilities
- Legionella Environmental Assessments and Sampling and Management Plans
- Legionella Corrective Measures for Potable Water Systems
- Corrective Actions and Controls for Legionella in Cooling Towers

Attendance Fee: \$199.
